Headline:
Cloudy start on Friday then brightening up.

This Evening and Tonight:
Most staying dry with some late sunny spells. Clear spells will allow a slight frost to develop tonight. Cloud gradually spreading from the north overnight bringing the chance of a few light showers across the north by dawn. Minimum temperature -2 deg C (28 deg F).

Friday:
Rather cloudy start to the day, with a few light showers possible, but brightening with sunny intervals increasing into the afternoon. Northwest winds, fresh to strong across Banff and Buchan. Maximum temperature 10 deg C (50 deg F).

Outlook for Saturday to Monday:
Saturday dry with some sunshine. Bright start on Sunday then some rain. Much colder from Sunday evening and on Monday with frequent snow showers and strong to gale northerly winds.
